

Privacy Statement

This privacy notice discloses the privacy practices for SharedMall.com.

How your information is used

We (Common People Services, LLC – the providers of SharedMall®) are the owners of the information collected on this site. We only collect information that you voluntarily provide us for the purposes of transacting with sellers on SharedMall®. All financial transactions on SharedMall® are facilitated via secure 3rd party applications such as PayPal, and we do not store any sensitive financial information in our own database.

Relevant contact information is made accessible to buyers and sellers on SharedMall® in order to facilitate storefront management and order fulfillment processes from each. We do not sell or rent out your information to anyone. We may use your information to communicate with you when appropriate. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request, e.g. to ship an order, facilitate online payments. Unless you ask us not to, we may contact you in the future to tell you about specials, new products or services, or changes to our terms and conditions, and changes to this privacy policy. Please review the [Buyer Participation Agreement](#) and [Seller Participation Agreement](#) for more details.

Data Security

We take precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline. Wherever we collect sensitive information, that information is encrypted and transmitted to us in a secure way. You can verify this by the presence of "https://" (as opposed to http://) at the beginning of the address of the web page. While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service), and sellers on our platform are granted access to your basic contact information, only for the purposes of typical storefront management processes allowed from within the SharedMall® platform. The computers/servers in which we store personally identifiable information are kept in a secure environment.

If you feel that we are not abiding by this privacy policy, you should contact us immediately.
